Inspired by the book "God Loves You Most"

by Tara Norbeck

Dear Parent,

These seven simple prayers are designed to help you tuck in your little one with the truth that God's love surrounds them always.

Choose a different prayer each night of the week, or let your child pick their favorite.

May these conversations with God bring peace to your bedtime routine and plant seeds of faith in your child's heart.

God's Never-Ending Love

Dear God,

Thank you for loving me more than anyone else can. Your love is bigger than the ocean, higher than the mountains, and wider than the sky. Help me remember that no matter what happens, Your love for me never changes. Wrap me in Your love tonight and help me sleep peacefully.

Amen
